Reward your customers with the best beef. Reward yourself with profits.
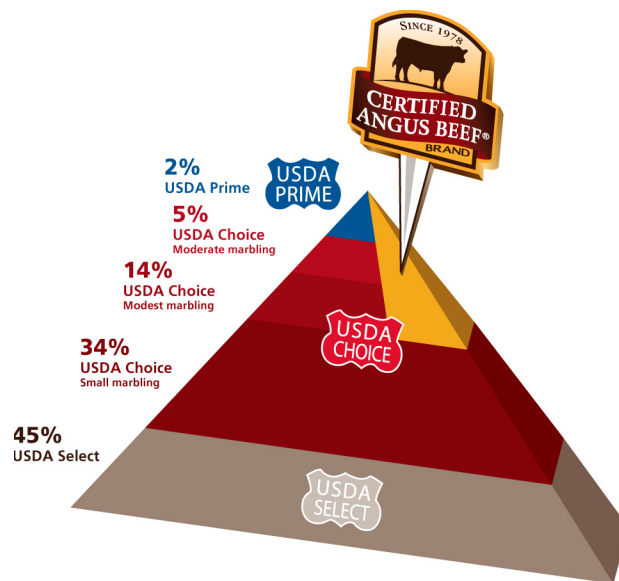

Only 8 percent of beef meets the *Certified Angus Beef* ® brand's high standards for reliable quality. These strict standards reduce the risk of serving an unsatisfactory steak—building customer satisfaction, repeat business, and sales.

- Monitored brand integrity ensures consistent quality in every box.

- Full product line features subprimal and portioned fresh cuts along with convenient value-added products.

- It's served by more culinary professionals than any other Angus beef.

- Comprehensive marketing support grows your business.
